

“15 Years of Downtown Progress”

Public Meeting Monday, May 23 at 6:30 p.m.

Fifteen years ago, Lynchburg City Council adopted the Downtown and Riverfront Master Plan. Since being adopted, the plan has been a guiding document for both public and private investment in Downtown Lynchburg. The results have been the successful blend of small and large businesses, urban living options and recreational opportunities.

The public is invited to attend a meeting on Monday, May 23 at 6:30 p.m. at the Holiday Inn, 601 Main Street, to celebrate “15 Years of Downtown Progress,” and to hear about the next steps that the City is taking to continue revitalization efforts and to ensure economic vitality, improve pedestrian movement, reduce crime and support livable streets.

In addition to celebrating downtown’s progress, there will be a presentation regarding the draft plan to revert Church and Main Streets back to two-way traffic. Attendees will also have the opportunity to ask questions and provide input.
